Welcome Back Salem!

Dear Salem Elementary Families,
Welcome back to all returning families and a big WELCOME to all new families. I am so proud and honored to continue to work with an amazing group of parents this year on the PTO Board as President. We hope you all enjoyed the fun-filled summer days, and it is with great enthusiasm that we invite you to get ready for another exciting and successful school year. As the new school year begins, we would once again ask for your support so that we can continue making great strides that benefit our children & the Salem staff. Whether you have 30 minutes or a couple of hours, your ideas, your time, your talents and simply your voice is truly needed. We can match your time constraints and interests to needed tasks. There are endless possibilities in ways you can help!

We would like to thank you in advance for your support. If you have any questions, concerns and/or ideas, please do not hesitate to contact us. Have a wonderful school year and we look forward to seeing you at the Back to School Bash!

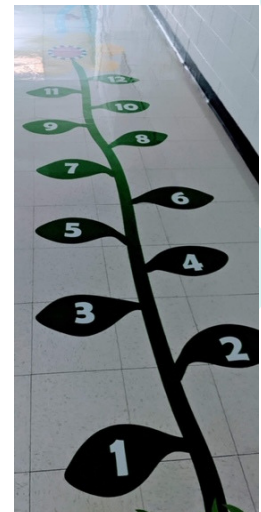

Sincerely,
Crissy McNulty

PTO Dollars at work

After a phenomenal fundraising year for 2018-19 we were able to finance several great new items for Salem! It is because of all the efforts of our school community that we are able to make these purchases happen. Stay tuned for updates on our Playground Fund that netted the school \$10,000!

Sensory Pathway

Next time you visit the school, stop in the hallway by the gym and check out this new tool for all our students. We are very excited to be the first school in our district to offer this for our students.

Kiln

This was previously fund raised for during the 2018-19 school year. The purchase was finally able to happen after approvals through the school district operations department. We know Mrs. Gargaro is looking forward to this new purchase for the art program in our school. We can't wait to see all the new pottery projects the kids come home with this year.

New Box Tops Program

Traditional Box Tops clips are being phased out of production, but may continue to be found on many products throughout the store. You can still clip and send them to school with your student. Every valid Box Tops clip is worth 10¢ for our school. Make sure each one has a clearly visible product acronym and expiration date.

Eventually the Box Tops program will become digital-only. Participating brands are starting to change their packaging from a traditional Box Tops clip to the new Box Top label. If you see this label, use the new Box Tops app to scan your receipt. Box Tops are still worth 10¢ each for our school. The app will find participating products purchased at any store and instantly add cash to our school's earnings online.

Last year our school earned nearly \$1,000 from Box Top collections! We would love to continue this fund raising momentum and can only do it with your participation. Please stay tuned for fun contests throughout the school year.
